at St. Irene Catholic School***

The Catholic Schools Office of the Diocese of Joliet and the Parish School St. Irene School support the use of technology in the instructional program through individual computer workstations, lab networks, school-wide networks, school owned hand held devices, and the Internet as a means to facilitate learning and teaching through communication, access to information, research and collaboration.

All uses of the Internet and related technologies, including hand-held devices shall be for educational purposes only, and will be consistent with the Diocesan and School's goal of promoting academic excellence as defined in the respective mission and philosophy statements.

Terms and Conditions

1. **Acceptable Use**

The Diocese and Parish School will make reasonable efforts to ensure that technology is used in a responsible, moral and ethical manner consistent with the educational and moral objectives of the Diocese and School.

2. **Responsibility**

School administrators, teachers and staff work together to help students develop the intellectual skills necessary to discriminate among information sources, to identify information appropriate to their age and developmental levels and to evaluate and use the information to meet their educational goals. However, there is an enormous range of material available on the Internet, some of which may not be fitting with the particular values of a student's family. It is not practically possible for the Diocese and School to monitor and enforce a wide array of social and religious values in student use of the Internet.

The Diocese and School recognize parents as primary educators of their children and the need for them to be involved in instructing their children as to what material is and is not acceptable for access and communication through the school network system.

The students and staff have the responsibility to respect and protect the right of every other user in the school and on the Internet.

The principal (pastor, superintendent) has the authority to determine what is inappropriate use and his/her decision is final.

3. **Code of Conduct**

Students are expected to act in a responsible, ethical and moral manner, and use the accepted rules of network etiquette and follow federal and state law and the terms of this Agreement both at school and at home.
